

SAILTECK

Race Compass

Race Compass

(SK01 includes cradle + softpack)

Sailteck race compass with large heading display. Integrated countdown is easy to use and optimized for sailboat racing. Two lines so you can see heading and countdown during the start. Supplied with corrosion free soft pack and mounting cradle.

Race Cradle

(included in SK01)

Additional mounting cradle allowing Sailteck to be swapped to another boat.

Includes standard hole sets (40x80mm) for fitting to third party brackets. Can be fixed to a mast groove using slug supplied with SK01.

Mast bracket and strap

(not included in SK01)

Mast bracket for all types of mast. Supplied with straps to wrap around mast. Can be fixed to a mast groove using slug supplied with SK01.
