

ATLAS HALO RTK

Atlas HALO RTK builds on Vakaros' award-winning RaceSense technology.

- 1 cm accuracy
- 125 hour battery life
- \$599
- RaceSense compatible

Want fairer, more fun, and more efficient racing? Bring the Atlas HALO RTK and RaceSense to your course for automated OCS detection and timing, no general recalls, and instant, clear communication to sailors. Over 500 events used RaceSense in 2025 - will yours be next?
